The new Danescourt Devils website is up and running. Here's a quick tour of the site and its functions:

**Homepage:** Here you can see (at a glance) upcoming events, the days weather forecast and who's online.

**News:** Which I guess you've found (!) will keep you up to date with any team related news. Check back here regularly for updates.

**Events:** Visit the events page to see what's happening, where it's happening and when it's happening. From here you can see who we're playing and get directions to the venue (click on 'map') - so no more excuses for getting lost!

**Forums:** Here's your chance to have a say. We've split the Forum into four sections so you can discuss matches, training, events or just have a general chat. Please feel free to start new threads, make posts etc.

**Photos:** The gallery, if you have any photos you would like to add, just forward them on to us and, providing they're suitable, we'll put them up.

**Weather:** See the current forecast for Cardiff and the weather for the next 10 days.

**Match Reports:** Find out how the match went, who scored and who was player of the week. If you want to comment on a match visit the forum and have your own say!

We really hope you'll enjoy visiting and using this site. We'll be updating the content and adding new features in the near future.
