### Tremorfa Park Directions

I know you have the map on the website , but this is the way I am going. Past Tesco extra on the Western Av and keep going until turn off for Llanedeyrn/ Cardiff Docks which most of you probably did last week. Go right around roundabout ( 3rd turn off) onto Southern Way A4161 which would lead to Newpoer Rd and Rumney Hill as last week, but this time instead of staying on road to Newport Rd, stay in outside lane and go over the bridge/flyover towards Lamby way A4232. At the rounabout take 3rd turning off which should say Pengam. You will come to a mini rounabout almost sraight away and you turn right there into Rover Way. Go along a short distance and turn left into Pengam Rd where you will see ST.Margaret's Industrial Park on the right and Tremorfa Day Centre on your right. Go along about 500 yds and turn off left into Whitacker Rd and this will lead to Tremorfa Park.

The week after is Splott Park which is exactly the same except don't turn off at Whitacker Rd, keep going until you get to the end of the road you are on and then turn left. Splott Park is a few hundred yards on your right.
