Games are on for 16th Dec

Hi all,

games are on for tomorrow and normally I would be thrilled that the boys can get more experience, however I am not keen on the way Splott acted last season and just hope they behave themselves like Llanrumney did the other week.

We have a pretty good squad and after taking 42 games to win a game, in the next 42 games we have won and drawn 31 out of the 42, winning 24 of them.

I feel like we can match most teams on our day and I look forward to seeing how we do, but I don't like badly run teams and I don't take the boys to games to have them kicked off the park , so we shall see how it goes. We should behave perfectly so that if I need to report them they cannot counter claim.

The other 2 games should be fine. We beat Ely Rangers 2-1 at Maindy and there was no trouble and we haven't played Pentyrch B yet this season although we drew a few times last season.

We should be there for 10am and directions can be obtained by clicking on map on the events page or looking at the directions for Tremorfa Park as it is on there.

See you all tomorrow.

Pete
