### match report 16th dec

Hi all,

well done to the boys yesterday. We played very well in the first game against Ely Rangers and deserved to be leading 1-0 only for them to get 2 quick goals. We certainly deserved a draw at least.

We then beat Splott 3-1 and it really could have been 7-1 at least. We totally dominated them and it was nice not to have any trouble. They have new Coaches which is good, although the ref was allowing a lot of fouling in the second half. I was very pleased the boys stood up to that and beat them by skill.

We then beat Pentyrch B 1-0 in a close game which could have gone either way, but an excellent win in the end.

We have now won 18 out of the 30 games so far this season and only lost 7 out of 30 which is far better than I expected so well done to the boys.

See some of you on Wed for training.

I wish you all a very Merry Christmas .

Pete
